

11/10/2021– Timely Warning Follow Up

Yesterday evening the EWU Police Department arrested two juvenile males who were taken into custody and booked into the Spokane County Juvenile Detention Center. Due to the multitude of tips and calls we received after the initial alerts went out, we were able to identify and track down the males who we believe to be the perpetrators of last Sunday's assault.

We are greatly appreciative to all who called in and provided tips and information to bring this to a swift conclusion. We are better together and depend on the community to assist us in keeping our campus safe. If you or someone you know has information pertaining to this particular incident or any other incidents that have occurred on and around campus, please don't hesitate to reach out to us at (509) 359-7676.

This notification is posted on our Timely Warning web page at <https://inside.ewu.edu/police/ewu-timely-warnings/>.
